This application serves as a request to enable the individual person listed here to access selected account information via Brickyard Bank's web site. It is understood that a JavaScript capable web browser using 128-bit encryption is required to access this information. Full transfer access between accounts will be assumed unless added restrictions are requested. You can access any Brickyard Bank account for which you are a signer. No transfer access will be allowed out of an account that requires two or more signatures. There is no charge to access account information or to transfer funds between accounts. Additional services such as check orders or bond orders will incur charges. The customer is responsible for the security of the access password. Passwords should never be shared between users. Joint account signers should still have separate access codes. An initial password will be issued upon receipt and verification of this application that must be changed during the first on-line session. The user name and password will be provided upon the receipt of the completed application.
